

The GLOBE Program

Dear International GLOBE Community,

18 February 2010

Following the very successful educational trek in collaboration with Seasons and Biomes, Dr Kenji Yoshikawa from the University of Alaska Fairbanks, and Dr Kenji Narita from the University of Akira, see <http://www.xpeditiononline.com>, the GLOBE Africa region is pleased to announce the

2010 KILIMANJARO LEARNING EXPEDITION Arusha, Tanzania 23 September to 1 October 2010.

A 4-day safari to Lake Manyara, Serengeti and Ngorongoro will be offered as a pre or post event trip.

One of the objectives of the TREK is to encourage research collaboration and interaction between African schools and the rest of the GLOBE world.

Please complete and return the brief questionnaire ASAP to facilitate the selection process:

Name / Group: _____

Contact person and email: _____

1. How are you currently engaged with an African school, and what collaborative projects are you currently engaged with?

2. If not yet, how are you planning to engage with an African school to work towards a collaborative student research project for presentation at the 2013 International Climate Change Conference?

More information will be posted on the regional website: www.globe-africa.org
